John Kinsella, 'Essay on Time (Being Graphology 20)'

The speech writers sat polishing turds.

The politicians roiled like incompetent ducks.

The oceans aghasted, vastly, again (in non-fiscal lingo, bothering
none) while Kiwi Barnaby bulged

'rejoice!' inside a tight hat. The Queen's Land sunglazed, whitely-

brighthappily XXXX-ing in bulldozer dreams

or non-ironic stupor, & 'jobs

jobs jobs' kerthumped the mobs mobs mobs.

The Moray Downs moored.

Adani Mining Pty Ltd & Another v Adrian Burragubba, Patrick Malone & Irene White on behalf of the Wangan & Jagalingou People happened

then colliers carmichaeled, blameless.

On speculator charts, coal prices

zigged like mozzies in the dark or a Datsun lost in Toorak. Zag.

Screens netflixed

while the yakka skink (hardly there) worked itself into a pre-extinction tizz

& graziers Acton *et al.* beamed like fat dull plums.
